- Friday 5th September  
  The Channon Teams Day

**Week 9**
- Wednesday 10th September  
  Milo Cricket Day (Year 3-6)

**Welcome**

I would like to take this opportunity to welcome Reece, our new Year 3 Student.

**Athletics Carnivals**

This Friday we will be participating in our Track events at Riverview Park. All students have received notes and will meet me at Riverview Park in the morning. We have been working on all of our Athletics Events and all of the students will be placed in Relay teams before Friday. The following Monday will be the field events at Dunoon Public School. The students will receive a permission note about this today. We will come to school first and travel to the school after we mark the roll. Thank you to all of the families that are able to assist with transport.

**Performing Arts**

Last week we travelled to OLD DOG recording studio for all of the children to record their track for the performance. Once again a very huge thank you to Al Pegg for his time and expertise and allowing us this wonderfully unique experience. Tickets for the Performing Arts will be available online from Week 5. All information will be sent home later in the week. We will be holding a special working bee, for anyone available to help with costumes for our Performing Arts.
P&C Meeting
Last Wednesday we had a our Monthly P&C Meeting. We discussed many topics and one important topic was the interest in After School Care for our Corndale Students. This is a fairly complicated topic and we felt it important to gauge the interest in a program being available before further investigating this possibility. If you could take a few moments to fill in the following sheet and return this to school to allow us to make further enquiries. **Next P&C Meeting Monday 1st September**
Sana has also gathered many email contacts for parents to communicate through other topics of conversation. Please contact her at jandshenderson@mac.com if you would like to be added to this list to receive P&C information.

Water
- About two thirds of our body is water
- It carries food around our body
- It carries away waste
- It keeps our temperature steady

Drink plenty of clean, plain water: it is THE thirst quencher!

Class Speeches
All speeches will need to be completed this week to present to the class on Wednesday. Please ask you child to discuss with me if they are having any problems with their speech and I am happy to help.

School Accounts
Please finalise any outstanding accounts with the school and please don’t hesitate to contact me if you have any questions.

Canteen
There will be no Canteen this week as we have the Athletics carnival.
