**Performing Arts**

Tickets available at www.lismoreworkersclub.com.au

The rehearsals went well today and all of the children now have a clear idea of where to be dropped off and picked up from on the night. All children will remain with me on the night of the performance and there is very strict security around people entering the branded mezzanine area. We will meet at 6pm and the show will commence at 6.30pm. It is expected to finish by 8.15pm.

If you have any more queries about Performing Arts please contact the school.

**Points to remember:**
- *Please send in an empty bag or pillow case with the child name clearly printed on it for costumes. This allows us to place their costumes in the bags before the concert and when they change backstage they have somewhere to place their own clothes.
- *All children will need to bring a packed lunch and water bottle for the matinee and it is essential they bring a bottle of water for the evening performance.
- *Please refer to attached map for drop off and pick up point.
