### Performing Arts

Last Thursday was a wonderful culmination in Performing Arts for 2014. I have received a lot of positive feedback and reports from parents and community members about what a wonderful performance the children produced. Firstly and most importantly thank you to Cathy McEwen for teaching and producing an amazing performance for our children. These are always unique and entertaining pieces, and they showcase the wide talent our school has to offer. We include everything in our performances. Thank you Therese for sewing the spectacular costumes, and thanks to the staff for their support with everything Performing Arts.

**A very big Congratulations to all of our Fabulous Students who make these performances so amazing.**
Performing Arts Festival
Last night the 28th was the performing arts festival. Corndale, Modanville, Clunes, Eureka, Dunoon, Tuntable creek and Eltham all participated in it. Our act was called There ain't nobody here but us chickens. Matty, Brendan, Will, Rohan, Andy and I were farmers, Kaleb was a dog. Kirsti, Luka, Emily, Laura and Indigo were hens. Georgie, Maeve, Wilson, Alex, Leo and Mack were chicks. Aidan and Reece were roosters. Our act was on 8th. My favourite act was called BAD. Clunes did it. When the performance was over me and my mum went to McDonald’s when we got our food mum tried to turn the car on but it wouldn’t turn on so then she opened up the bonnet and looked at it then she called the NRMA and they said they should be about 15 minutes when he arrived he had a look at the bonnet and then he said we should jump start it and we did and we got home safely. Performing Arts Festival was on Thursday 28th of August 2014. When we got there we put on the first part of our costume and watched 6 acts. Then we went and got the rest of our costumes and got ready to perform. We had to go down a tunnel we couldn’t talk because we would interfere with the microphones. We were the 8th act. We did there ain’t nobody here but us chickens. We all had fun. By Kaleb

Last night me and some kids from Corndale and other schools did the performing arts at the Workers Club. We performed There ain’t nobody here but us chickens. My character was a white rooster. We got to sit right at the top part of the balcony so we could see the acts from a high range. At the day time one I slipped over but I was behind some kids and right next to my spot. At the day time one there were not many adults but mostly schools. At the night time one it was mostly packed of adults. By Reece

Last night I did a school play and I was a chicken. By Alex.
