**Kindergarten 2016**

An information afternoon has been set down for this Thursday, 15th October at 3pm. If you know of anyone interested in enrolling at Corndale School please encourage them to come along. Alternatively they can contact the school and arrange an appointment.

Kindergarten Orientation will take place on Thursdays later in the term. This is a program designed for the 2016 Kindergarten students to become aware of school routines and participate in early Literacy and Numeracy Programs.

**Swim School**

This incredibly important program started today. Please remember to pack a separate bag for swimmers and towel. The children often get extra tired and hungry. Some additional snacks will help this.

***Change in Week 2 of swim school***

Due to the Lismore Show taking place in the second week of swim school we have made a few changes. All students will participate in 2 swimming sessions on the Wednesday of week 2 with a break in between. This will enable us to skip the Thursday to attend the Lismore Show.
Lismore Show
Our Show excursion will be this Thursday. We will be participating in the Lego competition, school performance and touring the displays. If your child would like to bring a small amount of money for a snowcone etc they will need to bring this in a wallet in their own bag. We will not be going on any show rides. Please remember to wear our new shirts, bring lunch, a drink bottle and school hat.

School Camp
All students received notes about our overnight camp in Week 5. We will be participating in activities in 2 different ecosystems and spending a night at Dorroughby Educational Centre. These camps are great opportunities for the children to develop their independence. They are encouraged to look after themselves which gives them a much more valuable experience. If you have any questions please contact the school.

P&C Meeting
Our first P&C Meeting for Term 4 will be next Tuesday afternoon at 4.30pm. This meeting will focus on our school camp, school canteen, up and coming Bunnings BBQ and early preparations for the end of year concert.

Tennis Term 4
We have received a grant for Term 4 Tennis lessons. This means all students participate in the Friday Lessons at no cost. The additional Tuesday lessons will also continue, with smaller groups to allow for more concentrated learning.

Music Lessons
Music Lessons continue this term. Due to swim school, Andy and I have moved the 2 Tuesday Lessons to later in the Term.

Snake Alert
We have already had a couple of snake sightings, please be mindful when walking around the school.

Canteen
Please contact the school if you are available for canteen.
