School Camp
Last Thursday and Friday Corndale Public School joined with Whian Whian Public School for our overnight excursion to Dorrroughby Environmental Education Centre. The children all had a fantastic time learning about the beach and rainforest ecosystems. We studied the rock platform and locally threatened bird species, and learnt what flotsam and jetsam is when beachcombing.

The second day we travelled to Minyon Falls and discovered the changing environments. The older students participated in a long walk while the younger students completed activities on leaf identification and environmental art.

It was wonderful to see our students make some new friends and catch up with old ones. The children also displayed amazing abilities in making new friends and playing together, as well as setting up beds for themselves, packing up and making their own lunch.

A very big thank you to the staff from Whian Whian for their organisation who made this a successful and thoroughly enjoyable excursion. The children are preparing a full report for our Year book.
P&C Meeting - New Date
Next Tuesday, 17th November, will be our monthly P&C Meeting. We will be discussing the end of year concert, party day, canteen, after school care, uniforms and a variety of other topics. The meeting will be at 4.30pm in the classroom. Please come along.

End of Year Christmas Concert
We are already half way through the term and the End of Year Concert will soon be upon us. All of the children have a script and songs to learn. They have copies to practise at home so get cracking, kids!

Home Readers
All students in Kinder, Year 1 and a number of other students receive a new home reader each day. Please remind your child to read these books as this can make a huge impact on their education. For all of the students not on a specialised home reading scheme it is still vital that reading occurs regularly. Each week all children have the opportunity to borrow 3 books from the library, it is always important to continue reading after coming off a home reading program.

Financial Roll Over
All outstanding money needs to be sent to school by the end of this week as we are preparing for the end of financial year rollover. Accounts have been sent home today.

Canteen
Please contact the school if you are available for canteen. We are not restricted to Fridays, so if another day of the week suits better, please let the school know so we can make arrangements and inform students in advance.
