School Break In
Between last Tuesday Night and Wednesday Morning we had a break in at school, in which property was damaged and resources vandalised. If you saw anything unusual around the school last week please let us know, and in the future if anything looks out of place please contact the police and give me a call.

School Photos  Monday 16th March
School Photos will take place next Monday. Family photo envelopes can be collected from the office.

Flashing Lights
This Tuesday, weather permitting, the council should be installing flashing lights at our 40 zone.

SRC Lamington Drive  - Due This Week
Please send in any completed Lamington orders and money to the school by this Friday. We have sent home extra forms with the students today.
**Behaviour of students**

Over the last 2 weeks a few students have made poor behaviour choices at school and have had difficulty following class rules. This has resulted in class work being interrupted and an increase in the use of our Time-out procedures in the class and/or playground.

I would like to reassure all families that no student is sent to time-out without prior warning. Once in time-out the student records why they are there. If they enter time-out more than once in a session they are then asked to my office to discuss the situation. All students are asked the following questions by me:

- What happened?
- What was your response?
- Is there anything else you don’t think I know about the situation?

Each child responds with what behaviour they have exhibited that is inappropriate and there are usually a variety of reasons/excuses for this behaviour.

I will always bring the conversation back to this point.

‘You as an individual are responsible for your own choices and behaviour.’

It saddens me to have this in a newsletter usually filled with positives and celebrations of the students’ achievements. I thank you in advance for having a conversation with your children about these issues and supporting our school. Every day is a new day and the difference between a good and bad day are simply choices made.

If you would like to discuss this further please don’t hesitate to contact the school for an appointment.

**Canteen**

Please contact the school if you are able to help with Canteen.

P&C AGM Meeting

Last Tuesday we held our Meet and Greet/AGM P&C Meeting. It was wonderful to see all of the families attend.

Congratulations to the following executives:
President: David Havilah
Vice President: Sana Henderson
Secretary: Therese McDermott
Treasurer: Fiona Eggler
Canteen Coodinator: Dahna Egan

After School Care
Sana is working hard on completing many documents and requirements to hopefully have an outside provider set up after school care as soon as possible.

Working Bee
We have scheduled a Working Bee for Sunday the 29th March. Work planned for this day will be upgrading the cricket nets, fixing the fort, working on the residence and tidying up the gardens.

Canteen
There was quite a bit of discussion about the canteen. The P&C have decided that the main purpose of the canteen is for all students to have the opportunity to experience ordering their lunch. It is a personal choice for the parent providing canteen as to if they would like to be reimbursed for their purchases (up to the amount decided on by the P&C) or if all money collected is to be donated to the school for fundraising. If you require reimbursement, please let the school know when you book a canteen date.

Smart Meter
Once again our smart meter recorded an enormous amount of water being consumed over a weekend period. We are very lucky to have graphs that record the exact times this is being used so we were able to pin point the times this water has been used. I will be following this up in the next couple of weeks.

Survey
Please complete the attached survey to help guide our P&C funding direction for 2015.

Missing
2 school gas bottles and Sana and Jed’s esky.
