**Zone Cross Country**

Yet again the population of Corndale grew by over a thousand and we managed to run a very successful Cross Country! The predicted poor weather held off and it turned out to be a perfect day.

An outstanding effort was made by families both past and present, along with friends of the school, and a day like this would not be as successful without the hard work and dedication of community members at these events. I received many positive comments by other students, staff and parents with the majority saying what an impressive track and truly amazing support by the community. I would especially like to thank David Hunter and Barry Cooper for all of their efforts during the preparation and running of the carnival.

Congratulations and thank you to all.
