Performing Arts Festival
Last Thursday was a wonderful celebration in Performing Arts for 2015. I have received a lot of positive feedback and reports from parents and community members about what a wonderful performance the children produced. Firstly and most importantly thank you to Cathy McEwen for teaching and producing an amazing performance for our children. A very big congratulations to all of our fabulous students who make these performances so amazing.

Athletics
Last Friday Andrew, Rohan, Emily and Indigo competed at the North Coast Regional Athletics Carnival. They all performed well in the PP6 relay final and displayed great sportsmanship in representing our school against very strong competition. Well done!
Leave
I will be taking leave from Thursday 3rd September until Friday 18th. Mrs Heather Laverick from Dunoon Public School will be relieving while I am away.

Interrelate
Please return permission notes for interrelate. This is a wonderful program for all students in Year 5 and 6 and will be held at Modanville Public School with other small schools involved.

The Channon Teams Day
This Friday the whole school will participate in The Channon Teams Day. Please remember hats, school shirt, lunch and water bottle. There will be a canteen provided on the day.

Milo Cricket Day
Milo Cricket Day will be held in Week 9 on Wednesday 10th September for students in Year 3-6. We will combine a number of teams with Eltham and Whian Whian Public School. If you are available to supervise/coach a team on the day please let me know. To keep costs at a minimum I am hoping to use private transport for the Cricket Day.

2016 Kindergarten Enrolment
We are now taking enrolments for Kindergarten in 2016. There will be an information afternoon on Thursday the 15th October at 3pm. If you know of anyone looking at enrolment next year can you please pass this information on.

Water: did you know:
85% of a child’s body weight is water. The human brain is 75% water; a living tree is also 75% water.
There is the same amount of water on Earth as there was when the Earth was formed. The water from your tap could contain molecules that dinosaurs drank!
Water regulates the Earth’s temperature. It also regulates the temperatures of the human body, carries nutrients and oxygen to cells, cushions joints, protects organs and tissues, and removes wastes.
Although the average person can live for about one month without food, we can only survive about a week without water. Drink water: it’s Cool!

CALLING ALL CRICKETERS
Clunes Junior Cricket Club (CJCC) invites all Boys and Girls, aged 6-16 years, to come along and play cricket this summer. Players for MILO in2cricket, T20 Blast, Under 12’s, 13’s, 15’s and 17’s are wanted. All new and current cricketers are encouraged to register soon.
To receive a registration form or for any further enquiries, please email ClunesJuniorCC@outlook.com.au
